**November 2015 - Exciting News from Don Cherry's Sports Grill Inc.**

We are very excited to announce that our brand, Don Cherry's Sports Grill, will now benefit from a "Preferred Banking Status" with several major Canadian banks for those existing and new operators looking for all types of financing. This preferred banking status is accessible through a federal government program where funds are available for up to 100% of a project at a maximum rate of prime plus 3% per annum and interest/principal payments can be deferred for up to one year from the date of the funding. The Government will charge a one time 2% fee of the total amount financed, which can be part of the actual loan.

Financing is available for:

- 1) the purchase of existing restaurant in order to convert into a Don Cherry's Sports Grill (up to \$1,000,000).
- 2) the purchase of land/building to establish a Don Cherry's Sports Grill (up to \$1,000,000).
- 3) the purchase of restaurant equipment/furniture for a Don Cherry's Sports Grill (up to \$350,000).
- 4) refurbish/renovate/upgrade an existing Don Cherry's Sports Grill (up to \$350,000).

To take advantage of this program we have created the Don Cherry's "Financial Assistance Support Team" or "FAST". FAST is lead by a senior Canadian Chartered Accountant with over 30 years of restaurant financing experience. FAST will assist those interested existing operators and new potentials through the process to satisfy all of the rules/criteria/documents, which typically is required by bank loans guaranteed by the Federal Government. The cost to the applicant is 1.5% of the total loan after approval, with a minimum non-refundable front fee of \$2,500 which covers FAST.
